Test Administration Windows

Test Administration Windows

Administration dates for each assessment window are provided in the independent chapters within this manual. Additionally, future assessment windows are also available on the World Wide Web from the Office of Student Assessment home page.

For more information regarding Indiana's 2012-2013 assessment windows, please use this link: www.doe.in.gov/assessment/test_windows.html. Once you have accessed this site, scroll down the page and click on the file name under the "Important Assessment Information" to view the assessment window(s) that are of interest to you.
